7
- 8 7. Ms. Bailey was treated on an inpatient basis at Life Care Center of Sierra Vista from  
9 February 8, 2017 through February 21, then from February 23 through February 24,

12
- 13 8. Life Care Center of Sierra Vista discharged Ms. Bailey on or about March 29, 2017.
- 14 9. During the dates between her admissions at Life Care Center of Sierra Vista, Ms.  
15 Bailey received treatment at Canyon Vista Medical Center, after which she was re-  
16 referred back to Life Care Center of Sierra Vista each time until her discharge.  
17
- 18 10. While Nelita Bailey was a patient in Life Care Center of Sierra Vista's care,  
19 Defendant failed to prevent her worsening incontinence-related dermatitis, failed to  
20 enact and follow an appropriate care plan to prevent bleeding complications, and  
21 failed to maintain an accurate and complete clinical record of her treatment and  
22 condition.  
23
- 24 11. As a direct and proximate result of Life Care Center of Sierra Vista's failures, Nelita  
25 Bailey developed painful and enduring health problems, including sacral bed sores

27  
28

2 damages in Plaintiff's favor.

3 WHEREFORE, Plaintiff seeks compensatory and punitive damages from Life Care  
4 Center of Sierra Vista for such sums in excess of \$300,000.00 that will reasonably and
